**The Service will be broadcast on Sunday at 10.30am via Facebook Live again**

- **Go to Facebook**
- **In search type in “Barnt Green Baptist Church”**
- **You should then see a live window which you can select from 10.20 , if not go to Video and find it there**

**If you don't do Facebook**

**The podcast will be available in video and audio from early afternoon in the same way as we have been accessing it over lockdown from the Church Website under Sermons.**

Services for January will be broadcast live from the building and also recorded for later use, as Tier arrangements and Baptist Union rules/ guidance are likely to change we think this will be the best plan for this month, while keeping everything under review and looking to plan face to face services as soon as we can.

The building will remain open in the week for just our two main childcare customers, as long as local Primary schools remain open.
