Just a few reminders

- **We still need masks on**
- **The windows will be open so remember your coat, although the forecast is better this week**
- **Please make sure we record your attendance on our tick list just in case contact tracing is required.**
- **When Kids Church is running the children will be in the Lounge for the whole service, when it is not running due to PHE regulations your children will need to stay seated with you (sorry!)**
- **We won't be doing coffee just yet so you might want to bring your own**

The building is cleaned by the last group in the building and is then professionally cleaned by OCD on Saturday, the chairs are only used by us and sanitised after each use.

**Happy Birthday wishes to
Mark J this week**

Outreach update – important news!

There will be a *new Alpha course starting in June*. Not sure which evening of the week but it will be online with the option for those who can, to meet inside somewhere, if restrictions allow.

Please pray for this. There are already a couple of takers. Pray for wisdom and opportunity to pop the question to whoever it is God has put in your path. It's fine

to offer to come along with your friend/neighbour/colleague.

Equally fine is to offer yourself to help out, whether that's just being there to support those leading or managing the Zoom call. If you're curious, let me know.

Worship team and services

Friends, it's time to plan forward!

To be excited!

As part of that we need to gather together the worship team. The plan will be for all of the team to meet together, hopefully in person, but if not on Zoom, and work out ways forward where we can begin to worship God together. Currently the plan will be to not have any person leading or playing every week. So sometimes we will use videos, sometimes a new piece of software called **isingworship**, and sometimes a live band.

What we need to do as we come back together is get an idea of who is willing to be part of the new thing God is doing.

So, whether you are willing to lead worship, willing to play, willing to sing, or even willing to pray, however often you can, then let me or one of the elders know so we can start to communicate directly with you as part of a team.

Any questions please just get in touch.

Blessings

Pete

“In a world where everyone is telling you who and what to BE, what does God want us to BE? How does that look in our society today and how can the answers help our friends and communities too?”

Activate Your Life is a charity that aims to encourage, resource and inspire Christian women. They have just announced their 2022 weekend away dates and venue, and are encouraging people to book on to secure places.

The weekend will take place on 4th-6th March 2022, an hour away in Daventry at the De Vere Staverton Estate. Costs on the website with what is included. Why not discuss it in your small groups.
